Re: Immediate report

The Company hereby informs that on April 1, 2002 checks issued in favour of the Company ("EIL"), were violated in a way of non payment by Volta Soil Stabilization Ltd. ("Volta"), which is the controlling shareholder of Carmiplas Industries (1993) Ltd., a customer of the EIL, in a total amount of approx. NIS 1.8 million.

The total debt of Volta group comprises approx. NIS 9 Million, out of which approx. NIS 5 million is due to a long term loan (provided in 1997), and the balance amount is due to commercial debt.

The Company placed all debts of Volta group for Immediate repayment, and is taking various measures for their collection, including reliance on personal guarantees given by the major shareholder of Volta group, to secure part of the above debts.

Sincerely yours,

B/ Dafna
